

Send me the Pillow

Johnny Tillotson

All: Send me the pillow that you dream on
Don't you know that I still care for you?
Send me the pillow that you dream on
So darling, I can dream on it, too

All: Each night while I'm sleeping oh, so lonely
I'll share your love in dreams that once were true
Send me the pillow that you dream on
So darling, I can dream on it, too

All: Send me the pillow that you dream on
Maybe time will let our dreams come true
Send me the pillow that you dream on
So darling, I can dream on it, too

All: I've waited so long for you to write me
But just a memory's all that's left of you
Send me the pillow that you dream on
So darling, I can dream on it, too
So I can dream on it, too
