

Side By Side

Oh, we ain't got a barrel of money
Maybe we're ragged and funny
But we travel along, singing a song,
Side by side!

<happy and fun!>

Oh, we don't know what's coming tomorrow
Maybe it's trouble and sorrow —
But we'll travel the road, sharing our load,
Side by side!

Through all kinds of weather, what if the sky should fall
Just as long as we're together, it doesn't matter at all —

When they've all have their troubles and parted
We'll be the same as we started
Just travelling along, singing a song,
Side by side!

Through all kinds of weather, what if the sky should fall
Just as long as we're together, it doesn't matter at all —

When they've all have their troubles and parted
We'll be the same as we started
Just travelling along, singing a song,
Side by side!

Side by side!

Side — by — side!
